Re: Base Price Increase

Effective May 1, 2017, Felker Brothers will implement a price increase by raising our multiplier by four (4) percentage points on our base pricing. The net price increase including surcharge will be approximately 3%. This increase will apply to all new orders of pipe and tube products and is necessary to support the continued growth and investment in our company.

Thank you for your continued support of Felker Brothers Corporation. We look forward to providing you with the industry's highest quality products and service. If you have any questions, please feel free to contact your Felker Brothers' sales representative or our sales office.

Sincerely,

FELKER BROTHERS CORPORATION
