Re: Felker Brothers Base Price Increase

Effective with new orders starting October 7, 2013, Felker Brothers Corporation will be increasing all base prices by approximately 10% on pipe and tube products. Please contact your Felker Brothers' sales representative with any questions.

These increases are necessary due to the announced material increases from the steel mills.

Thank you for your continued support of Felker Brothers Corporation. We look forward to providing you with the industry's highest quality products and service.

Sincerely,

FELKER BROTHERS CORPORATION
