

## **Maintenance Manager**

**Glasgow, KY | Full-Time**

We are seeking a skilled and motivated Maintenance Manager to oversee plant maintenance operations and maintain a safe, efficient, and productive work environment. This role is responsible for supervising maintenance personnel, managing equipment reliability, supporting capital projects, and supporting compliance with safety and environmental regulations.

### **Key Responsibilities**

- **Lead all building, equipment, and preventative maintenance activities**
- **Manage scheduled and emergency repairs to minimize downtime**
- **Oversee wastewater treatment operations and hazardous material handling**
- **Support capital improvement projects, vendor coordination, and equipment upgrades**
- **Maintain maintenance budgets, spare parts inventory, and operational procedures**
- **Support and promote compliance with OSHA, environmental, and company safety regulations.**
- **Support employee technical training and development**
- **Coordinate and oversee outside contractors and vendors to ensure work is completed safely, efficiently, and in compliance with company standards.**
- **Drive continuous improvement initiatives to increase efficiency and reduce costs**

### **Qualifications**

- **Associate or Bachelor's degree in a related field or equivalent experience**
- **Minimum 2 years of supervisory experience**
- **Strong technical knowledge of electrical systems (motor controls, PLCs), hydraulics, and pneumatics**
- **Experience with CMMS systems (MP2 or similar) and AutoCAD**
- **Familiarity with environmental regulations and wastewater treatment systems**

We offer a competitive wage and benefit package, to include health, dental, life and disability insurance, retirement plan and paid vacation and holidays.
